Principal Pen Week 10 Term 3 2016 - Volume 14
iPad Class 2017

On the evening of Tuesday 6 September over 100 parents converged on the annexe building to hear from 7 of our staff about a BYOD iPad program for our school in 2017. Expressions of interest were handed out at the meeting and we have had a strong response from our community.

Mr Duncan, Mr Donovan, Mrs Smith, Mr Mitchell, Mr Perkins, Mrs Wiles, Mrs Kong and Mrs Morris all spoke about our proposed program and have been working now with other teachers on the design of our BYOD program.

In 2017 we are planning one Year 4 and one Year 5 class where every student in the class brings along their own iPad to support their learning. A strong emphasis on preparing students to be better 21st Century learners and cyber safety will be major features for these classes initially.

To copy a phrase from a well know advertisement though, I am pretty sure (and hoping) that Aspley East having an iPad class will be “a really big deal…. for a fraction of a second”. The long term vision would be that any student in Year 4-6 will be able to bring along their iPad to support their learning but as this is new territory for us we are selecting a measured and structured approach to the introduction of Bring Your Own Device to Aspley East State School.

The slides from the parent presentation are available on our school website in the term 3 documents section for your information.

Expressions of interest forms were distributed on the night and are due to the office by close of business this Friday 16 September.

2017 Class Placement information from parents

Parents have until close of business on Friday October 7 to complete the class placement form (on the school website under support and resources/documents/term three). These forms are provided directly to 2016 class teachers to assist them design classes for 2017. Please read the information on the front page carefully before completing the form as it sets the expectations and the process for lodgement.

We are already making preliminary plans for 2017. If you know that your child will not be attending Aspley East State School for 2017 could you please advise the office by calling 3867 2777 or emailing info@aspleastss.eq.edu.au.
2016 A Factor

It is very exciting being new to a school and experiencing all our annual major events for the first time. There would have been many very proud parents, grandparents and teachers in the MPAC last Thursday afternoon as the grand final played out.

Congratulations to the many students who took part in A Factor 2016 and especially to those who performed at the grand final.

A special thanks to all the staff for their energy, assistance and support at the end of a very busy term. Special acknowledgement and thank you must go to Mr Dean Le Vesconte for coordinating the event from start to finish – Love your work Dean!

School Leaders Study Tour - China

On Saturday morning I will be flying to Shanghai with a small delegation of Education Queensland Leaders to participate in the 2016 School Leaders China Study Tour.

The 2016 Queensland School Leaders Study Tour is supported by QUT’s Confucius Institute and its aims are:

- Developing understandings of contemporary China through constructed experiences
- Developing professional knowledge of Chinese education systems and schools through school visits and meetings with education authorities
- Explore opportunities for school linkages in Jiangsu province

For 12 days we will travel through China visiting Shanghai, Nanjing, Nantong and Beijing and many education facilities along the way. We also visit the Great Wall, The Tian’anmen Square and travel on the bullet train just to name a few. I am very excited to say the least.

Over the past few years I have participated in many study tours to Victoria, Western Australia and Queensland but this is the first time I have participated in an international education study tour. I am really looking forward to learning more about China’s Education System and rich culture.

Term Four Calendar

Please find below the latest version of our term four calendar. As you will see it’s going to be just as exciting and adventurous as the previous three terms in 2016. Put a copy on the fridge but always check the website or Facebook for the latest information.

### Student Resource Scheme 2017

Student resource schemes are designed to assist parents to make the cost of educational equipment cheaper and make more efficient use of resources. They are not a money making scheme and I report to the P&C about income generated, expenditure and the percentage of parents who participate.

Such schemes are designed to offset the cost to parents of the provision of educational resources associated with a child’s education. These resources enhance your child’s educational experience and assist them to fully engage with the curriculum.

Participation is voluntary until the participation agreement is signed. Parents who do not participate are provided with a list of resources they must provide for their child.

A parent who chooses not to participate in the scheme is responsible for providing their child with all items that would otherwise be provided to the student by the scheme as detailed on the Year Level Requirements List, to enable the student to engage with the curriculum. As the scheme operates for the benefit of participating parents and is funded solely from participation fees, resources provided by the scheme will not be issued to students whose parents choose not to participate in the scheme.

For 2017 students in Prep, Year 1 and iPad classes will be asked to participate in a $150 resource scheme. There is no booklist for these year levels.

Student Resource Scheme 2017

Student resource schemes are designed to assist parents to make the cost of educational equipment cheaper and make more efficient use of resources. They are not a money making scheme and I report to the P&C about income generated, expenditure and the percentage of parents who participate.

Such schemes are designed to offset the cost to parents of the provision of educational resources associated with a child’s education. These resources enhance your child’s educational experience and assist them to fully engage with the curriculum.

Participation is voluntary until the participation agreement is signed. Parents who do not participate are provided with a list of resources they must provide for their child.

A parent who chooses not to participate in the scheme is responsible for providing their child with all items that would otherwise be provided to the student by the scheme as detailed on the Year Level Requirements List, to enable the student to engage with the curriculum. As the scheme operates for the benefit of participating parents and is funded solely from participation fees, resources provided by the scheme will not be issued to students whose parents choose not to participate in the scheme.

For 2017 students in Prep, Year 1 and iPad classes will be asked to participate in a $150 resource scheme. There is no booklist for these year levels.
A booklist will be provided to students in Year 2-6 and parents will also be asked to participate in a $60 resource levy. You will notice that the booklist no longer contains a dictionary or atlas requirement as they will be covered in the book levy which is a saving of well over $60 already to the booklist.

Further information will be forthcoming but I just wanted to give you a heads up. The student resource scheme letter and form will come out next term in preparation for 2017. Parents must return the form indicating whether they are participating or not in the resource scheme. We welcome advance payments to the scheme as this also may assist budgeting for that heavy January period just after Christmas.

If you have any queries please don’t hesitate to contact our office.

**Melbourne Study Tour 2016**

Last Friday through to Monday I guided seven other Aspley East Staff on a study tour in Melbourne. We visited Melbourne Grammar School and attended the Walker Learning Early Life Conference. On Monday we visited Manor Lakes School.

The Walker Learning Approach is the basis on the way we do business in Prep in 2016 and the pedagogy will move into Year 1 in 2017. The tour was a valuable experience to see the Walker Learning Approach being implemented in early years’ classrooms in Victoria. Whilst we learnt a lot from the conference and classroom visits we also learnt that what is currently occurring in our Prep Classrooms is amazing and our current Prep Teachers are doing a fantastic job implementing the play based structured learning approach.

We learnt a lot about each other personally too and what makes us tick as professionals. I am really looking forward to seeing this whole approach being implemented in Prep and into Year 1 in 2017 with the team of professionals we have here at Aspley East. It was a valuable and uplifting learning experience.

**September/October School Holidays**

I would like to take this opportunity to wish all our students a great break and hope they get a chance to rest and recharge for what will be a full on term four. Our Year 6 students have just 50 days left in their primary career and after the efforts I have seen from their disaster unit projects this term I can’t wait to see what they do next term. Let’s make it the best and most memorable term four and finish to date!

Term four commences on Tuesday 4 October (Monday 3 October is a pupil holiday). A quick reminder too that Monday 17 October is a pupil free day. Teachers will be engaged in professional learning activities on that day.

**Queensland Disability Review**

The Department of Education and Training is committed to inclusive education and continuous improvement to maximise education outcomes for students with disability. As part of this commitment the Minister for Education has approved an independent wide-ranging review into disability policy in Queensland state schools.

The review will examine the policies and processes we have in place and will actively seek to engage the views of students with disability, their families and members of our school communities. All of these voices will contribute to improve the way we work to deliver on our promise to provide education on the same basis for all children in Queensland. The Department is committed to providing reasonable adjustments for all students with disability who meet the broader Disability Discrimination Act 1992 definition of disability.

This review will enable the Department to provide a world-class education system that supports students with disability to develop the knowledge and skills they need to be successful learners and to engage fully in their lifelong learning journey.

The review will engage the views of students with disability, their families and other crucial members of school communities, particularly principals and teachers. Consultation forums will be held with principals, staff, parents and students at 25 schools across the State and the representative groups that support young people with a disability will also be consulted. In addition to these discussions, all members of the community are invited to make a submission to the review via the survey below.

Principals, teachers, parents and students are invited to have their say on the educational provision for students with disability in Queensland state schools by completing the survey available via the link below. The survey features a separate set of questions for students, teachers, parents and other members of the Queensland
community and provides the scope for structured written submissions. Participate in the survey at: https://deloitteau.au1.qualtrics.com/jfe/form/SV_aeYth8sEwykgFdH

The opportunity to complete the survey and make a submission will be open until 30 September 2016.

School Fete

The countdown is on for our school fete-Saturday 15 October, mark your calendars.

Utilising Taxi and Uber Servcies for transport to and from school

We understand that from time to time parents get stuck and utilise the services of Taxi and Uber for pick up and drop off of students.

If you do make arrangements for a driver service to pick up your child from school the office must be notified in writing. We are currently working on a process to have drivers sign out students when they are picked up so that we can be absolutely sure they are being picked up by the right driver and being transported to the correct location.

From The Deputy Principals

From Mrs Butler - Deputy Principal (Acting) for Prep and Years 1, 2 and 3

A Factor

Last Thursday I was lucky enough to be one of the three judges on the day. I found it extremely hard judging the amazing performances by the children competing on stage. We certainly have a talented group of children here at AESS. I would like to congratulate all of them for their entertaining performances and to you the parents for supporting your children through the heats and finals. I would also like to extend a big thank you to Mr Dean Le Vesconte for his time and effort in organising the A Factor this year.

September/October Holidays

I would like to wish you and all of the AESS students a lovely two weeks holiday. I hope the students have a lovely, restful and safe break that rejuvenates them for the last term before the end of 2016.

See you in Term 4

Mrs Helen Butler

From Mr Donovan - Deputy Principal for Years 3, 4, 5

Speaking Competition

The final of the Year 5 Speaking Competition was held last Tuesday. All of the finalists spoke well and presented very informative and entertaining speeches. I would like to congratulate the finalists along with all of the students who presented their speeches in class. Congratulations to Rory O’Brien who took the honours.

Interschool Sport Term 4

Summer Interschool Sport will begin in Week 2 of Term 4. Summer sports will include the same teams from Term 1. Sports include TRL Football, Softball and Tee-ball. The dates for the rounds are 14<sup>th</sup> October, 21<sup>st</sup> October, 28<sup>th</sup> October, 4<sup>th</sup> November and the 11<sup>th</sup> November.
Swimming Term 4

Classes attending swimming in Term 4 are all Year 3 classes, 2D and 2E. Swimming block starts in Week 4, Monday 24th October and runs for 6 weeks. The cost is $45 with payment due before Thursday 13th October.

Sun Safe

With the warmer months fast approaching it is very important that students come to school prepared for the day in and out of the classroom. Students must wear an appropriate hat (broad brim or bucket hat). Caps are not acceptable. Hats must also be brought to participate in school activities outside of the classroom including H&PE.

Mr Donovan

From the Head of Support Services

Coffee morning for Parents and Caregivers of children with special needs

Being the parent/carer of a child with special needs can sometimes be very isolating. Parents and carers often feel stuck on a treadmill of hospital and medical visits, therapy, advocacy, work, dealing with complex medical and behavioural needs and so on. It is important to be able to share these experiences with those who have been there before you or a going through them now.

After discussions with one of our mums, we have decided to host a coffee morning and then see where this informal network leads. This will be an informal opportunity to get together for a chat and connect with others who can relate somewhat to your experiences. We hope that this will enable parents to informally network about all things parenthood and to meet some other parents. A couple of mums have recently been to seminars on various topics and I’m sure would be willing to chat informally about what they learnt.

If you have younger or older students with special needs and would like to join us that would be fantastic! I am aware of a few parents who are keen to meet others with children who are similar to their own or who have ‘been through the system’ and can offer advice. The first coffee morning will be held in the Annex at school on Thursday 15 September from 9-10.15am (approx). The timing is flexible so feel free to drop in whenever you are able. Please join in this opportunity just to sit back, enjoy a cuppa, chat and meet a couple of new people.

Autism – EMAILS

For Parents/carers of children with ASD, please look out for some emails which I will start sending to you regularly with some ‘quick reads’ or ‘handy tips’ or ‘happening news’. I hope to start posting these every week or two, via my administrative assistant, Suzan Tremain. If you are a parent at the school and have either younger or older students with ASD and would like to be on the mailing list, just let me know by sending an email ‘ATTENTION Leanne Smith’ to the info@aspleastss.eq.edu.au email address.

If you feel you have something worth sharing with other parents, I’m more than happy to forward this on to the group. Again, just send me an email to the address above.

To start the ball rolling, here is a quote you may be interested in:

*Eye contact is not necessary for listening or paying attention. Many autistic people find it easier to listen and process auditory information when we don’t have to also process visual information. Forced eye contact for the sake of ‘appearing normal’ can be challenging, tiring and even painful. We avoid it for a reason. Respect that!*

Anonymous person with Autism. (Taken from “Tip Sheet: Eye Contact and Tracking”, by Sue Larkey, www.suelarkey.com This tip sheet will arrive in your inbox this week.

Braille Literacy Challenge

On Friday 9 September, I had the pleasure of escorting 2 students, Jack Bretherton (6C) and Mac Black (1A) to the annual Braille Literacy Challenge.

Jack entered the intermediate section, which involved him completing a dictated writing passage focusing on spelling use of punctuation and using the correct Braille contractions. Unfortunately Jack didn’t place in this section and wasn’t able to compete in the reading challenge as he became unwell and had to go home. This was really disappointing for Jack as he had been practising expressive voices to use in his reading of a passage from the book, *Matilda*. 
Mac has only just started learning Braille and so joined in the Braille is Fun group on the day. This group of mixed ages students were very lucky to have International Award winning (and Brisbane born) children’s author, Michelle Worthington come along and read some of her books to them as well as conduct and join in some activities with the students. Some of Michelle’s books include: The Bedtime Band, The Pink Pirate, Yellow Dress Day, Noah Chases the Wind, Possum Games, Hootie the Cutie, Each the Same, Start of the Ocean and My Brother Tom.

All students who participated in the day were given a Braille book at their level.

Leave

I will be taking some leave for the first week and a half of Term 4. Mrs Jayne Osborne will replace me during that time. Mrs O has worked at Aspley East over many years and in many roles so is very familiar with the school, the staff, the students and many of the families.

Leanne Smith
Head of Support Services.

HPE News

Bramble Bay Representation

Track and Field MetNorth Team (QLD titles 18 October): Jaclyn MacMinn (High Jump)

Softball QLD Team: Keeana Henare

Bramble Bay Team Reps: Jack Dowthwaite (AFL), Tayg Collins & Mackenzee Hall (Soccer), Kate Maslen (Cross country), Holly Frederickson (Touch), Kate Maslen (Touch), Kaitlyn Woods (Touch), Kaskade Saunders (Touch), Zachary Johnson (Touch), Taisia Leaupepe (Rugby), Kaskade Saunders (Rugby), Keeana Henare (Softball), Holly Frederickson (Softball), Jenna Hansen (Softball), Angela Taylor (Softball), Amanda Dixon (Softball), Johanna Hines (Softball), Kate Maslen (Softball), Tshia Nielsen (T & F), Jaclyn MacMinn (T & F), Kate Maslen (T & F), Kyla Collins (T & F), Ciara Jackson (T & F), Hayley Thomas (T & F), Nevaeh Corneby-Taoho (T & F), Tara Cabaron (T & F), Joshua Daniels-Harris (T & F) and Holly Frederickson (T & F).

Metnorth Team Reps: Joshua Hughes (Basketball), Jayden Molo (Netball), Holly Frederickson (Touch), Kaskade Saunders (Touch), Keeana Henare (Softball), Jaclyn MacMinn (Track & Field)

QLD Team Reps: Keeana Henare (Softball)

Class of the week:

2a (Mr Lin)

Reminders

- **Interschool Sport** Last round for winters sports this week – Friday 16 Sept. (Winter Sports: Netball/Soccer/Rugby League): 19/8, 26/8, 2/9, 9/9, 16/9 (week 6 starts), training starts week 5 (August 8): Netball A & B (Thurs 1:15-1:45), Netball C & D (Wed 1:15-1:45), Soccer all teams (Wed 8-8:30) and Rugby League (Fri 8-8:30)

- **Aspley Eagles Cup Soccer Tournament**: Thursday 15th September, 9:30am – 1:00pm

*****Cross Country training/Fitness Club (free): Every Tuesday from 7:45am-8:15am

**Reward for Effort**

Mia Fanning in 5A made it in the regional team for Gymnastics and will be competing in the upcoming QLD titles, good Luck Mia!!!!

**Tuckshop for Term 4**

In preparation for the SMART CHOICES PROGRAM to commence in 2017, the Tuckshop will be making some changes to the Tuckshop Menu in TERM 4, 2016 and in TERM 1, 2017.

The Tuckshop has NOT increased prices for some time; however the Suppliers have continually increased their prices. And therefore the Tuckshop has no alternative but to slightly increase some of the menu items.

The Winter Menu will be ceasing at the end of this Term, however Spaghetti Bolognais and Burrito in a wrap will continue as they have proven very popular.

Also Sushi will re commence as well as new items to coincide with the warmer months ahead.

An updated menu will be available on the School Website, through Flexischools and the Tuckshop as of Term 4, 2016.

PLEASE be wary of the changes to the Menu and price increases when ordering through Brown Bags.

**Emergency Replacement Meals**

The Tuckshop provides food to students who have no lunch for various reasons. An Emergency Replacement Form is sent home with the student (usually on the same day) to REMIND parents/caregivers to reimburse the tuckshop. UNFORTUNATELY, the Tuckshop still has monies owing.

If the Tuckshop has provided lunch for your child/Children please pay as soon as possible so we can continue to provided Food to students.

Thank You
Kris and Lyndie - Tuckshop

**P&C News**

**General News**

The P&C

The Aspley East State School Parents & Citizens Association is a group of dedicated parents and staff who meet once a month at the Library Annexe. The P&C runs the school tuckshop and uniform shop, as well as various stalls and fundraising activities over the year. The out of school hours care is run by the PCYC on the P&C’s behalf. We raise funds to support the teachers and administration staff in providing the best experience they can for the children of Aspley East.

The P&C is a great way for parents to find out more about how the school operates and contribute to that operation, especially parents new to the school.

Please come along to a P&C meeting to see how you can make our school and school community a better place. You will not be asked to put your hand up for anything you don’t want to, but anyone wanting to volunteer for something, or suggest good ideas is always welcomed.
We meet every second Wednesday of the month during school terms at **6.30 pm** in the Library Annexe. The **next meeting will be held on 19 October** due to school fete commitments the week prior.

We hope to see you there!

**Facebook**

The P&C has its own Facebook page, so please like us to get the latest updates of school events, general news about the school and the P&C activities. You can find us at:

https://www.facebook.com/AspleyEastPandC/?ref=bookmarks

There is also an email address if anyone wants to contact the P&C Executive about any P&C activities. The address is pandc@aspleastss.eq.edu.au.

**Fete News**

Not long to school fete. The convenors are working busily in the background to get things organised. So a big thank you to them.

**Urgent**

All raffle tickets are due back now please return to office with the money and any unused tickets as well. If you have lost them we will be in touch with you as you are required by law to fill in a statutory declaration stating such.

We still have a few books to sell so if you can sell another book for us please see the office staff.

**Fete Arm Bands**

Pre-Purchase Ride Bands – Our unlimited ride bands are now on sale! Pre-purchase orders are available early so that families, especially those that need to buy more than one band, can spread out this expense prior to the fete. The order forms are located in the office or can be purchased online, please note that bands are not transferrable between siblings or friends, every child must have their own ride band, and you can pre-purchase for other siblings, friends or family that do not attend our school. Purchasing a ride band allows unlimited rides for the duration of the fete. The price is $30.00 each and from October 2016 to school fete they will be $35.00 each. So get in now!!!!! If you don’t wish to purchase a ride band you can buy single ride tickets for $5.00 at the fete.

**Trash n Treasure**

Collection Day for Trash n Treasure we have the following dates allocated for you to drop off. Remember drop off is located on the oval and entrance is via Kirby Road behind the Aspley Leagues Club carpark.

DATES – Wednesday - 14th September – 3pm to 4pm (No Helpers Required this day)

Monday 3rd October – 1pm to 3pm (Help is required)

8th October – 1pm to 3pm (Help is required)

If you can help any of these days please message Kylie Van Haren on 0405487641.

**Volunteers**

For the fete to run we need your help!!! We are trying out something different from previous years and that is if you can volunteer your time you can register online and select a time and you know straight away that will be fine. Please visit our group page on the below link:-

http://signup.com/go/5XacTf

The following stall allocations are as below:-

Grade 1 – Coffee Shop and International Stall
Grade 2 – Showbags and Rides
Grade 3 – Cent Auction and Art Auction and Craft Stall
Grade 4 – Cake Stall
Grade 5 – Lucky Bottles and Plant Stall
Grade 6 – Trash and Treasure Stall and Culture Vulture Stall

All School – Chips Stall, Setup and Clean Up, Cooking Days for Cake Stall

Thank you in advance for signing up. It is a great day and you get to meet other school parents.

Any enquires please contact Sharon Window on 0408 945 248 or via email – swi58445@bigpond.net.au
