Dear Parents/Caregivers

This letter is to advise that BPOINT is now the preferred payment method for all student invoices at Queensland State Schools. BPOINT is a secure online payment portal supported by the Commonwealth Bank which enables parents and caregivers to pay the school via credit card or debit card.

On the bottom of each invoice and/or statement that you receive, the BPOINT payment method symbol will be displayed with a website link for you to visit and process your secure online payment. Alternatively, you can now access BPOINT via the QParents app and conveniently pay all your invoices this way.

You do not need to register for BPOINT, you simply visit the link detailed below and enter your CRN (customer reference number listed on all invoices and monthly statements), invoice number (detailed on monthly statements), student name and exact invoice amount. It is important that only one invoice is paid at a time so that payments can be matched to the invoice in our system.

Please note: If you wish to pay an amount and you do not have the invoice number, just enter the activity reference provided on the activity letter (eg. SRS, SWIM, DANCE, etc) and we can manually match your payment to the corresponding invoice.

BPOINT will issue you with a payment confirmation that you can email to yourself after making the payment.

Payments will process overnight and will appear in the school’s bank account within 24 hours of making a payment. The school will receive a daily report detailing those who have made a payment.

You may still pay by cheque, cash or EFTPOS, or credit card over the phone if you wish.

To access BPOINT go to: http://www.bpoint.com.au/payments/dete or conveniently pay via QParents.

Please ensure that you check the invoice amount carefully and pay the dollar and cent value accurately.

Yours sincerely
